## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 6/11/07 and 7/2/07 has been entered.

### ***Claim Rejections - 35 USC § 112***

2. Applicant's amendment to claims 1 and 4 has overcome the rejection to claims 1-6 set forth in the previous Office Action. Therefore, the rejection has been withdrawn.

### ***Response to Arguments***

3. Applicant's arguments, see pages 5-12 of the remarks, filed 6/11/07, with respect to claims 1 and 4 have been fully considered and are persuasive. The rejection of claims 1-6 has been withdrawn.

***Allowable Subject Matter***

4. Claims 1-6 are allowed.
5. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose, teach, or suggest the claimed limitations of (in combination with all other limitations in the claims), at least one of the plugs of said lines of said bus system having reserved plug contacts, said reserved plug contacts being provided with at least one galvanic link, and said at least one galvanic link being detected and interpreted by a participant, and at least one component included in the participant determining the defined address of the participant, as set forth in claim(s) 1 and 4.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
